CPMSubject: EMERGENCY REGULATIONS REGARDING INMATE GROOMING STANDARDS  
AND ACCESS TO RELIGIOUS PROGRAMS

Attached for your immediate use and implementation is a copy of the Notice of Change to the Directors Rules (NCDR) Number 06/02 effective January 17, 2006. The NCDR 06/02 modifies the California Code of Regulations (CCR) Section 3062 and authorizes inmates to wear their hair any length and/or wear short beards (no longer than one-half inch) consistent with the policy as specified.

Therefore, ~~any Rules Violation Reports (RVRs) California Department of Corrections and Rehabilitation Form 115, written after January 17, 2006, for violating the prior grooming standards (hair longer than 6 inches and/or having a beard shorter than one-half inch) shall be voided upon written request by the inmate.~~ This does not apply to inmates whose noncompliance was wearing a beard longer than one-half inch.

~~Inmates who were found guilty of grooming standard violations and placed on program failure status prior to January 17, 2006, are to be removed from program failure status effective January 17, 2006, upon written request as described in CCR Section 3044 (unless otherwise ineligible based on disciplinary actions not related to grooming standard violations). Except as provided for below or otherwise prohibited (i.e., inmate housed in Administrative Segregation or Security Housing Unit for other non-associated reasons), these inmates are to be placed on Work Group A2 and placed on a waiting list.~~

Upon written request by the inmate, ~~an inmate not in compliance with the grooming standards based on previously stated religious beliefs and subsequently found guilty of RVRs are to receive full restoration of all credits lost for grooming standard violations occurring on or after September 22, 2000.~~ Inmates who were subsequently placed on Work Group C status due to these RVRs, are to be returned to their previously assigned Work Group status (i.e., original A1 or A2 unless otherwise ineligible based on disciplinary actions not related to grooming standard violations). Proof of noncompliance based on religious beliefs can include, but is not limited to: documented statements at a disciplinary hearing; investigative employee report; inmate appeal; classification chronological; other document maintained in the inmate's Central File; or any other verifiable document (i.e., writ of habeas corpus or court files).
